POLICY SECTION: <b>Facility Drop-Ins &amp; Personal Hours Policy</b>		PAGE: Page 1 of 1

POLICY STATEMENT	<p>All regular and honorary members are eligible to participate in drop-ins.</p> <p>Providing proper safety measures as mentioned below, facility drop-ins are a great way to practice specific skills either to solidify them or to work on areas that have been problematic in class settings (e.g., dogs that get distracted, overwhelmed, shut down or fearful while in the presence of other dogs). Agility and other dog sport equipment are pricy and often times individuals are not able to purchase it, also finding an atmosphere fit for training is often difficult; therefore, drop-ins provides an opportunity for all training levels to improve training, handling and dog performance regardless of sport.</p> <p>Please note that all member dogs regardless of sport are eligible to participate in these drop-ins. Member dogs must be handled by the person who solely owns this dog and who is also a member of the club. This is providing the handler signs a waiver form to state that he/she understands safety concerns and is solely liable for any injuries (both handler/dog) or problems that may arise while you are taking part in drop-ins.</p>
DEFINITIONS	<p>Drop-Ins: You can go as often as you wish in your month, during the times when the facility is not in use. You will need to purchase the drop-in and agree to the waiver on the online store. Check the NADA website under member's only page to see the facility schedule, and the scheduling app so you will know when it is available for you to use. Book an appointment in the scheduling app. You may only book one drop in for your team at a time.</p> <p>Drop-ins run from the 1st to the end of each month. Drop-ins are open for all who pay within the respective month.</p> <p>Independent of who arrives at the facility first, you must be respectful of each other and share the equipment and area courteously.</p>
